We are actively monitoring and following all guidance provided by the World Health Organisation (WHO), Department of Education and Department of Health regarding the Coronavirus (COVID-19).

We understand that many families may be feeling anxious at this time and we want to assure you that at Concord OSHC the health and wellbeing of the children in our care is our number one priority. The most relevant advice remains that practicing good personal hygiene and cleaning is the best defense against infections.

The health and wellbeing of the children in our care and our team is always our top priority. So, to ensure that everyone is safe at Concord OSHC, we have and will continue to:

- Cancelled excursions for the October holidays, replacing them with great fun in-service days which have included incursions from outside providers. All incursions from outside providers are to follow the strict guidelines of sanitization and cleaning. Cancellations will be made if needed.
- Implement social distancing techniques such as: increasing outside play and optimising our room set up
- Reinforce the importance of excellent hygiene such as washing hands, covering coughs or sneezes with a tissue or an elbow
- Remain strict and vigilant with our cleaning routines and,
- Closely monitor all advice on stopping the spread of COVID-19
- Strictly enforcing our Infectious and Illness Disease Policy and Procedure, if you or your child is feeling unwell or experiencing flu-like symptoms – for the wellbeing of our team and all the children in our care please do not attend our service
